IKO Asphalt ShieldPRO PLUS +™ Shingle Limited Extended Warranty

Congratulations on your purchase of IKO asphalt roof Shingles. Your choice gives you a roof backed by over 60 years of experience in making high quality products for homes across North America.

This brochure explains the details of the limited warranty IKO provides on your Shingles after they have been installed on your roof and your application has been approved. Read it carefully to ensure you are well-informed about the warranty coverage for your purchase. Also, remember that your contractor or roofer is not an employee or representative of IKO. This limited warranty can only be changed if such change is in writing and signed by an authorized corporate officer of IKO. IKO is not bound by any guarantees, warranties or representations or any change to this limited warranty made by your contractor, roofer or by any other person not an authorized corporate officer of IKO. IKO's Limited Warranty and your coverage is detailed in this booklet (the "Limited Warranty"). If you have questions about that coverage, contact IKO directly for assistance.

There are many terms in this Limited Warranty that have specific meanings. For your convenience some of the terms are defined below:

"AR" means that this product contains a preservative to prevent discoloration by algae. Shingles which are covered by the Limited Algae Resistance Warranty set out herein provide for the cleaning of discoloration on the exposed face of certain Shingles should that discoloration be caused by certain algae growth. Only Shingles shown as "AR" in the Information Tables, and Armourshake, Cambridge, Crowne Slate, Cambridge IR, Dynasty (with Armourzone), RoofShake HW and Royal Estate Shingles are covered by a Limited Algae Resistance Warranty. See the section titled "Limited Algae Resistance Warranty" for more details on this coverage.

"High Wind Application" means the installation of Shingles using the specific instructions that appear on the Shingle wrapper. Some local building codes may require additional fasteners. For "High Wind Application" of all IKO Shingles, except Dynasty (with Armourzone), additional fasteners are required during installation. Please check your local building code and the application instructions specific to your Shingles for proper nailing and application requirements.

"IKO" means IKO Industries Ltd.

"IKO approved ShieldPRO plus+™ roofing contractor" means a licensed roofing contractor, and at least one job supervisor, and two installers have successfully answered the IKO's Home-Study Guide test questions with an accuracy rate of at least 90% and has been registered by IKO as an approved ShieldPRO plus+™ roofing installer. Notwithstanding the registration of the contractor by IKO as an approved ShieldPRO plus+™ roofing contractor, the contractor is not a representative, agent, or an employee of IKO, and IKO does not warrant or guarantee or make any representation whatsoever regarding the workmanship of this or any other contractor.

"Iron Clad Protection" means the limited non prorated coverage provided by the IKO Limited Warranty during the Iron Clad Protection Period. Please read the section titled "IKO Iron Clad Protection Period" for more details on this coverage. The length of the Iron Clad Protection period for each Shingle is listed in the Information Tables.

"Iron Clad Protection Period" means the initial period of the Warranty Period during which IKO provides Iron Clad Protection coverage. Please read the section titled "IKO Iron Clad Protection Period" for more details. The length of the Iron Clad Protection period for each Shingle is listed in the Information Tables.

"Limited Warranty" means the limited warranties and your coverage provided by IKO for your Shingles as expressly set out in this document, and are the only warranties being provided by IKO.

"Maximum Liability" means the maximum obligation of IKO under the Limited Warranty, as described in the sections titled "Iron Clad Protection Period", "Beyond Iron Clad Protection Period", "Limited Wind Resistance Warranty" and "Limited Algae Resistance Warranty" whichever is applicable. Please read each of these sections carefully for more details.

"Owner" means the individual owner(s) of the single family residential home at the time that the Shingles were installed on that building. If you purchase a new residence from the builder of the home and are the first person to live in it, IKO will consider you to be the Owner, even though the Shingles had already been installed.

"Purchase" or "Purchased" means the retail purchase of the Shingles covered by this Limited Warranty.

"Shingle" or "Shingles" means the IKO asphalt shingle product identified in this Limited Warranty that was installed on the roof of the building owned by the Owner.

"Square" means 100 square feet of roof area.

"The Information Tables" means collectively the Limited Warranty Information Table and the Limited Lifetime Warranty Information Table.

In addition to any other specific conditions set forth in this Limited Warranty, the "Warranty Conditions" are standard conditions that must be met for your IKO warranty to be valid. The Warranty Conditions include:

- The Shingles were properly installed, in strict accordance with both IKO's written installation instructions and local building code requirements; and
- The person making the Warranty claim is the Owner of the Shingles, or the person to whom the Limited Warranty was validly transferred as set out herein. For details on Warranty Transfers, please read "Transferability of Warranty" below; and
- The Shingles have a manufacturing defect that has resulted in a leak; and
- The repair or replacement must be with IKO Shingles and must be completed on the same building/structure to which the Shingles covered under this Limited Warranty were originally applied.

Depending on the type of Shingles used on the Owner's roof, other conditions described herein may also apply in order for the IKO warranty to be valid or applicable.

EXAMPLE 1 - A manufacturing defect resulting in leaks is found in January 2047 in Shingles Purchased with a Limited Lifetime Warranty. The Shingles were purchased in January 2015; 32 years, or a total of 384 months have elapsed since Purchase. IKO’s warranty obligation will be reduced by $(384/480 = .80)$. So IKO’s maximum obligation would be 20% $(100 - 80)$ of the cost of the replacement Shingles.

Limited Warranty Information Table - Marathon Shingles

Name of Shingle	Warranty Period (months)	IKO “Iron Clad Protec- tion Period” (months)	Reduction Figure (121 - 180 months) n*	Reduction Figure (180+ months) m*	Maximum Liability/ Dollar Limit per Square	Limited Wind Resistance Warranty (60 months) (Mph) [km/h]	Algae Resistance Warranty (months)

EXAMPLE 2 - A manufacturing defect resulting in leaks is found in January 2033 in Shingles Purchased with a 25 year (300 months) Limited Warranty. The Shingles were purchased in January 2015; 18 years, or a total of 216 months have elapsed since Purchase. IKO’s warranty obligation will be reduced by $(180/225 = .80) + (36/600 = .06) = .86$. So IKO’s maximum obligation would be 14% $(100 - 86)$ of the cost of the replacement Shingles.

¹Hip & Ridge Shingles used for installation of these Shingles must be IKO Ultra HP, IKO Hip and Ridge12, IKO Hip and Ridge Plus, or an IKO approved equivalent product.

n* - refers to the number of months up to and including 180 that have passed since the Shingles were installed on the building.

m* - refers to the number of months greater than 180 that have passed since the Shingles were installed on the building.

²Algae Resistant — This article contains a preservative to prevent discoloration by algae.

Note A: Wind speeds shown are maximum values covered for Standard Application / High Wind Application.

³In Canada the Wind Warranty for Standard Application is 70mph [112km/h] and the High Wind Application Warranty is 80mph [129km/h].

IKO Asphalt ShieldPRO PLUS +™ Shingle Limited Extended Warranty

LIMITED WARRANTY

IKO provides a Limited Warranty to the original Owner of its Shingle products. The coverage provided by this Limited Warranty is subject to the terms and conditions listed herein. This Limited Warranty is intended to provide coverage only to the Owner and only for a manufacturing defect that results in leaks. The Limited Warranty starts on the day that the original installation of the Shingles on the roof is completed, and coverage is limited to the length of time listed in the Information Tables for the specific Shingles product installed on the Owner's roof (the "Warranty Period"). The Limited Warranty provides the Owner specific legal rights, but the Owner may also have other legal rights. Those rights will vary from province to province. In situations where the coverage given includes a dollar value, it is meant to be given in the currency of the country in which the building is located.

IRON CLAD PROTECTION PERIOD

IKO offers Iron Clad Protection as set out below for every Shingle listed in the Information Tables. The length of the Iron Clad Period varies by Shingle product. Refer to the Information Tables to find the Iron Clad Protection Period for your Shingles. The Iron Clad Period starts on the day of installation of the Shingles on the Owner's roof. This coverage is limited to the amount of time shown in the Tables for your Shingles. During the Iron Clad Protection Period, IKO will, at its option, either repair or replace affected Shingles if all Warranty Conditions are met (the "Iron Clad Protection").

If there is a valid claim during the Iron Clad Period, IKO's Maximum Liability will be limited to the reasonable cost of repairing the affected Shingles or replacing the affected Shingles on the Owner's roof, including the cost of tear off and disposal of existing Shingles. Replacement shingles shall be similar to those already on the roof. Other costs, such as flashings, metal work, vents or repair of any other damages or expenses incurred, are not covered by the Iron Clad Protection or by other terms of the Limited Warranty, including during the Iron Clad Protection Period.

BEYOND IRON CLAD PROTECTION PERIOD

Once the Iron Clad Period expires, the Limited Warranty provides certain outlined coverage to the Owner for the remainder of the Warranty Period outlined in the Information Tables for the Shingle product on your roof (the "Beyond Iron Clad Protection Period"). This coverage during the Beyond Iron Clad Protection Period will apply only if the Warranty Conditions have been met.

During the Beyond Iron Clad Protection Period, IKO's Maximum Liability is the prorated portion of the replacement Shingles required at the time the claim was reported to IKO. Alternatively, if IKO decides it cannot reasonably provide replacement Shingles, IKO may offer coverage based upon the prorated value of the maximum liability per Square shown in the Information Tables. Other costs, including labour, tear-off and disposal of the existing Shingles, other shingles, roof, flashings, metal work, vents or repair of any other damages or expenses incurred or claimed are not covered by the Limited Warranty. The formula used to calculate the coverage available is shown in the Information Tables along with examples.

LIMITED WIND RESISTANCE WARRANTY

For Armourshake, Cambridge, Crowne Slate, Cambridge IR, Dynasty (with Armourzone), RoofShake HW and Royal Estate Shingles only, during the first 15 years after they are installed on the Owner's roof, the IKO Shingles carry a Limited Warranty for wind "blow-off" for Shingles lost from the roof due to wind gusts not exceeding certain maximum speeds (a "Limited Wind Resistance Warranty"). Each type of these Shingles carries a maximum wind resistance limit for this coverage. Please refer to the Information Table for the wind speed limits for the Shingles on your roof.

For all other Shingles, during the first 5 years after they are installed on the Owner's roof, the IKO Shingles carry a Limited Wind Resistance Warranty for wind "blow-off" for Shingles lost from the roof due to wind gusts not exceeding certain maximum speeds. Each type of these Shingles carries a maximum wind resistance limit for this coverage. Please refer to the Information Tables for the wind speed limits for the Shingles on your roof.

For the shingles specified in the Limited Warranty Information Table, the use of a **High Wind Application** will increase the limit of the maximum wind resistance under the Limited Wind Resistance Warranty (a "High Wind Resistance Limited Warranty"). The wind speed limits for the High Wind Resistance Limited Warranty for those Shingles are listed in the Information Tables. If additional nails as listed are used for the following Shingles, the maximum wind speed increases to one hundred thirty (130) mph (two hundred ten (210) km/h), for Marathon products it increases to 80 mph [129 km/h], in Canada only;

- (i) three (3) additional (8 in total) nails for Crowne Slate,
- (ii) two (2) additional (6 in total) nails for Cambridge, Cambridge IR, RoofShake HW and Royal Estate, and in Canada only Marathon Ultra AR, Marathon 25, and Marathon 25 AR.
- (iii) one (1) additional (6 in total) nail for Armourshake.

In addition, for the High Wind Resistance Limited Warranty to apply, IKO starter strip shingles must be installed at all eaves and rakes, and IKO Hip and Ridge shingles must be used on all hips and ridges. Rake application of starter strip shingles not required for Dynasty. Also:

- (i) the Limited Wind Resistance Warranty will only apply if: (a) the Shingles were installed using roofing nails (not staples) in strict accordance with the instructions on the wrapper and (b) during the fall, winter or in cool weather, the Shingles have been manually sealed at the time of installation, and for installations at all other times, the Shingles have been manually sealed at the time of installation, or have had the opportunity to seal down;
- (ii) the High Wind Resistance Limited Warranty will only apply if: (a) the Shingles were installed using roofing nails (not staples) in strict accordance with the instructions on the wrapper and (b) the Shingles have been manually sealed at the time of installation. For Dynasty (with Armourzone) in Canada provision (b) does not apply if the shingles have had an opportunity to seal down.

Shingles that are installed in cool seasons or weather may not seal until weather conditions are adequate to allow the self seal down strip to activate. Please see the NO WARRANTY COVERAGE FOR WIND DAMAGE BEFORE SELF SEALING STRIPS SEAL paragraph in this Limited Warranty for more information regarding the self sealing strip. Please consult your roofer, shingle dealer, the product packaging or our website at www.iko.com for more information on the application instructions for your Shingles.

For valid claims under the Limited Wind Resistance Warranty (where the warranty conditions are satisfied), IKO's Maximum Liability is to provide replacement Shingles for those Shingles lost from the roof due to 'blow-off', or alternatively, IKO will pay for the reasonable cost of manually sealing unsealed Shingles. Other costs, such as labor, tear-off, removal or disposal costs of Shingles, other shingles, roof flashings, metal work, vents or repair of any other damages or expenses incurred or claimed, are not covered by the Limited Wind Resistance Warranty or otherwise.

NO LIMITED WIND RESISTANCE WARRANTY COVERAGE FOR WIND DAMAGE BEFORE SELF-SEALING STRIPS SEAL

All Shingles that contain a factory applied self sealing strip must be subjected to direct sunlight and warm temperatures for several days before full sealing will occur. Shingles installed in the fall or winter may not seal until the following spring. Shingles which do not receive direct sunlight, or which are not exposed to adequate surface temperatures may never seal. Damage to the factory self sealing strip by dust, sand or foreign matter will prevent the sealing strip from activating. This is the nature of shingles and failure to seal down under such circumstances is not a manufacturing defect. IKO will not be responsible for any blow-offs or wind damage that may occur prior to thermal sealing having occurred. After the Shingles have sealed, the Limited Warranty that commenced at installation will cover wind damage or blow-offs, in accordance with the terms listed in the "Limited Wind Resistance Warranty" section of this booklet.

LIMITED ALGAE RESISTANCE WARRANTY

(Note that products covered by this section contain a preservative to prevent discoloration by algae)

Some IKO Shingles carry a Limited Warranty against discoloration caused by the development of blue-green algae on the exposed face of the Shingles (Please refer to the Information Tables to see whether your Shingles carry this coverage and for the period of coverage provided). If there is a valid claim under the Limited Algae Resistance Warranty, (where all the Warranty Conditions are satisfied), IKO's Maximum Liability is to provide the Owner with a labor payment certificate. The certificate will pay the reasonable costs of cleaning the affected Shingles up to a maximum value of \$15 per Square. This maximum value will be prorated based upon the number of months that the Shingles have been installed on the Owner's home at the time the claim is filed, divided by the maximum period of coverage listed in the Information Tables.

NON-TRANSFERABILITY OF LIMITED WARRANTY

This Limited Warranty provides rights to, and can only be enforced by the original Owner, or to a person to whom the Limited Warranty is allowed to be and is validly transferred as detailed below in the section titled "Limited Transferability of Limited Warranty". No other person or business can claim coverage or has rights under the Limited Warranty. In addition, IKO does not provide any warranty for Shingles purchased in Canada and installed in the United States or elsewhere not in Canada. Also, IKO does not provide any warranty for Shingles purchased in the United States and installed in Canada or elsewhere not in the United States.

LIMITED TRANSFERABILITY OF LIMITED WARRANTY

This Limited Warranty for your Shingles is primarily intended to provide coverage only to the original Owner of the Shingles. In the absence of a permissible and valid transfer of the Limited Warranty as set out herein, the Limited Warranty ends on the sale or other transfer of the property. In addition, if the original Owner dies, the Limited Warranty cannot be transferred to the Owner's estate or to anyone else, by operation of law or otherwise. Certain limited provisions of the Limited Warranty and only for a limited period, as outlined below, may be transferred by the original Owner to the next property owner only once during the Limited Warranty period.

LIMITED TRANSFERABILITY FOR ARMOURSHAKE, CAMBRIDGE, CAMBRIDGE IR, CROWNE SLATE, DYNASTY (WITH ARMOURZONE), ROOFSHAKE HW AND ROYAL ESTATE SHINGLES

Upon a sale or transfer of the property only, the original Owner may transfer the Limited Warranty to the next property owner once during the first fifteen (15) years of the Limited Warranty period. If such permissible and valid transfer occurs during the first twelve (12) years of the Limited Warranty period, the Iron Clad Protection Period shall remain intact only until the fifteenth (15) anniversary of the completion of the original installation of the Shingles, provided however that the Iron Clad Protection shall not cover the costs of tear-off and disposal in the event of such transfer. If such permissible and valid transfer occurs after the first twelve (12) years of the Limited Warranty period, the Iron Clad Protection Period shall automatically terminate and coverage will be calculated on a prorated basis for the Shingles, using the formula shown in the Information Tables. Regardless of when the transfer occurs, the Warranty Period for a transferred Limited Warranty is limited to fifteen (15) years from the date of completion of the original installation.

LIMITED TRANSFERABILITY FOR ALL SHINGLES OTHER THAN ARMOURSHAKE, CAMBRIDGE, CAMBRIDGE IR, CROWNE SLATE, DYNASTY (WITH ARMOURZONE), ROOFSHAKE HW AND ROYAL ESTATE SHINGLES

Upon a sale or transfer of the property only, the original Owner may transfer the Limited Warranty to the next property owner once during the first ten (10) years of the Limited Warranty period. Following a permissible and valid transfer of the Limited Warranty, the Iron Clad Protection Period shall automatically terminate and coverage on a prorated basis shall continue for a period of two (2) years following the transfer of the property. Please see the Information Tables for the method used to calculate the Limited Warranty coverage during this period. The Reduction Figure for these Shingles will be $n/225$.

PROCEDURE TO TRANSFER A LIMITED WARRANTY

To transfer certain provisions of the Limited Warranty as set out above, the original Owner must complete the following steps, failing which any purported transfer shall be null and void:

- Notification of a request for transfer must be received in writing by IKO at the Warranty Services Office. The address is listed in the section entitled "Notification of Claims". Notification must be received within thirty (30) days of the property transfer;
- The transfer request must include the original Proof of Purchase for the Shingles and a copy of the property transfer documents; and
- The transfer request must also include a non-refundable payment in full of the \$100.00 transfer fee in order to complete the transfer.

EXCLUSIONS AND LIMITATIONS

Except as and limited to what is explicitly set out in this Limited Warranty with respect to the Limited Wind Resistance Warranty and the Limited Algae Resistance Warranty, the coverage under this Limited Warranty is only for manufacturing defects that result in a leak of the Shingles on the Owner's roof, and for no other cause whatsoever. Conditions that do not result in a leak, or are not due solely to a manufacturing defect in the Shingles are not covered by the Limited Warranty or otherwise.

As a result, and without limiting the generality of the foregoing, IKO will not have any liability or obligation under the Limited Warranty or otherwise for the following:

1. Any damage that occurs during or after any improper application process, including one that fails to follow IKO's printed application instructions;
2. Any variation in the color or shading between installed Shingles on the building, including the fading or weathering of colored granules used in any of IKO's Shingle blends, backsurfacing transfer between Shingles, or asphalt staining of Shingles. IKO reserves the right to discontinue or modify any of its products, including the color blend of any Shingles, without notice to the original Owner. IKO will not be liable for any costs as a result of such modification or discontinuance of any product;
3. Any damage to the interior or exterior of any building, or any property or contents within or outside any building;
4. Any damage caused by Acts of God or other causes beyond IKO's control, including, without limitation, lightning, gale or wind (except for the coverage in the Limited Wind Resistance Warranty), hail, hurricane, tornado, earthquake, explosion, flood, fungus contamination, solid objects falling on the roof, or any other causes. This exclusion does not apply to ordinary wear and tear of Shingles caused by the elements;
5. Any damage caused by settlement, distortion or cracking of the roof deck, walls or foundation of a building. This includes failure in the materials used as a roof base, or by the presence of people, animals, machinery, equipment or any traffic of any kind on the roof;
6. Any damage caused by buckling of Shingles. The installation of Shingles on dimensional lumber (including shiplap or board decks) is not recommended as it may cause buckling of Shingles;
7. Any damage that arises after the roof is altered following the original installation of the Shingles. This includes any alteration including structural additions, changes, or replacement; or equipment installations (including but not limited to, signs, water towers, fan housings, air conditioning equipment, solar heaters, water heaters, television and /or radio antennas, satellite dishes, skylights, and equipment or machinery of any kind);
8. Any costs incurred for any, work, repairs (whether temporary or permanent) or replacements not authorized in advance in writing by IKO;
9. Costs incurred for materials, repairs or replacements where materials produced by someone other than IKO (unless authorized in advance in writing by IKO to do so);

12. Any damage or distortion caused by inadequate ventilation either at the eaves or on the rooftop of the building. This includes failure of ventilation caused by blocked, non operative or defective vents or any other condition that renders the ventilation system ineffective. Roof system ventilation should meet local building code standards for total vent area. Ventilation must also be distributed evenly between the rooftop and the eaves of the building;
13. Any costs related to the replacement of the Shingles that is not expressly covered in this Limited Warranty. This means that unless otherwise explicitly set out in this Limited Warranty, the Limited Warranty does not cover the cost of installation, application, tear-off, removal and disposal of Shingles, other shingles, roof flashings, metal work, vents or repair of any other damages caused by or associated with any leakage, or any other costs or expenses the Owner may incur or claim;
14. Any costs related to the removal of any asbestos present in the roof on which the Shingles have been installed;

16. Any damage due to the effects of chemicals on the Shingles, whether applied to the Shingles or roof, airborne or which otherwise come in contact with the Shingles or roof. This means that this Limited Warranty does not cover the effects on Shingles or roof of any chemical including but not limited to aliphatic or aromatic solvents, chlorinated hydrocarbons, turpentine, oils, organic or inorganic polar materials or any other related materials;
17. Any damage due to the excessive use of roofing cement;
18. Any damages or failure in performance of Shingles installed over insulated roof deck panels, except as outlined in this document under the section "REDUCED WARRANTY COVERAGE FOR INSTALLATION OF SHINGLES ON INSULATED ROOF DECKS";

21. Any claim under this Limited Warranty where the Owner deliberately or negligently misrepresents any material fact.
22. This warranty cannot be used in conjunction with a warranty claim settlement.

NO LIABILITY OR COVERAGE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES

The Limited Warranty provides coverage only for certain limited damage to Shingles that is directly caused by a manufacturing defect. IN NO EVENT SHALL IKO OR ITS AFFILIATES BE LIABLE FOR ANY INDIRECT, ASSOCIATED, INCIDENTAL OR CONSEQUENTIAL DAMAGES. This means, without limiting the foregoing, that this Limited Warranty does not cover claims for: damages to homes or other structures, interiors, exteriors, furniture, contents, appliances, loss of income, loss of enjoyment, storage fees, economic loss, or any other loss or damage. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this condition may not apply to you in those jurisdictions.

If the Owner fails to send in all requested information or does not otherwise comply with these steps, it may result in a delay in response to the claim and IKO is entitled to conclude that the claim is not valid and decline coverage under the Limited Warranty.

IKO will evaluate and respond according to any obligations under the Limited Warranty within approximately 60 days of receiving all necessary information needed to assess reported claim.

IMPORTANT NOTICES

IKO does not authorize its representatives, distributors, contractors or dealers to make any changes or modifications to this limited warranty. EXCEPT WHERE PROHIBITED BY LAW, THE OBLIGATION CONTAINED IN THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF ANY OTHER OBLIGATIONS, WARRANTIES, CAUSES OF ACTION, CONDITIONS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND EXCEPT FOR THE OBLIGATION EXPRESSLY CONTAINED IN THIS LIMITED WARRANTY, LIABILITY IS EXCLUDED RELATING TO, IN CONNECTION WITH, OR ARISING FROM, ANY RIGHT, CLAIM, REMEDY AND CAUSE OF ACTION AGAINST IKO OR ANY OF ITS AFFILIATED OR RELATED COMPANIES, OR THEIR AGENTS, OFFICERS, DIRECTORS AND EMPLOYEES, INCLUDING, WITHOUT LIMITATION, STRICT LIABILITY, STATUTE, TORT, NEGLIGENCE, WAIVER OF TORT, AND INDIRECT, ASSOCIATED, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

BINDING ARBITRATION: EVERY CLAIM, CONTROVERSY OR DISPUTE OF ANY KIND WHATSOEVER (EACH AN "ACTION") BETWEEN YOU AND IKO (INCLUDING ANY OF IKO'S EMPLOYEES AND AGENTS) RELATING TO OR ARISING OUT OF THE SHINGLES OR THIS LIMITED WARRANTY SHALL BE RESOLVED BY FINAL AND BINDING ARBITRATION, REGARDLESS OF WHETHER THE ACTION SOUNDS IN WARRANTY, CONTRACT, STATUTE OR ANY OTHER LEGAL OR EQUITABLE THEORY. YOU AND IKO AGREE THAT ANY ACTION WILL BE ARBITRATED ON AN INDIVIDUAL BASIS AND THAT NO CLAIM(S) WILL BE CONSOLIDATED OR AGGREGATED WITH THE CLAIM(S) OF ANY OTHER PERSONS BY CLASS ACTION, CLASS ARBITRATION, IN A REPRESENTATIVE CAPACITY OR OTHERWISE. TO ARBITRATE AN ACTION AGAINST IKO, YOU MUST INITIATE THE ARBITRATION, FOR U.S. CLAIMS, IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT, TO BE CONDUCTED BY A SINGLE ARBITRATOR IN ACCORDANCE WITH THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION, AND FOR CANADIAN CLAIMS, IN ACCORDANCE WITH THE ARBITRATION ACT, R.S.A. 2000, c. A-43, ALBERTA, AS MAY BE AMENDED) AND YOU MUST COMMENCE THE ARBITRATION AND PROVIDE WRITTEN NOTICE TO IKO BY CERTIFIED MAIL AT THE APPLICABLE ADDRESS NOTED ABOVE, WITHIN THE APPLICABLE TIME PERIOD PRESCRIBED IMMEDIATELY BELOW. IF YOU PREVAIL ON YOUR CLAIMS IN THE ARBITRATION, IKO WILL REIMBURSE YOU FOR ANY FILING AND ADMINISTRATIVE FEES PAID BY YOU TO THE ARBITRATION ORGANIZATION. Some jurisdictions do not allow mandatory arbitration, so the above arbitration provision may not apply to you in those jurisdictions. An Action may also be referred to another arbitration organization if you and IKO agree in writing. IKO will not elect arbitration for any Action you file in court in which you agree not to seek to recover more than \$25,000, including attorneys' fees and costs, so long as the claim is individual and pending only in that court. You may also reject this arbitration provision by notifying IKO in writing within 45 days after the installation of the Shingles or the valid transfer of this Limited Warranty to you. If any portion of this arbitration provision is not enforced in the arbitration, then either you or IKO can file a lawsuit in court to adjudicate the arbitrability of the Action and the enforceability of the portion of the arbitration provision at issue.

NO ACTION OR BREACH OF THIS LIMITED WARRANTY OR ANY OTHER ACTION AGAINST IKO RELATING TO OR ARISING OUT OF THE SHINGLES, THEIR PURCHASE OR THIS TRANSACTION SHALL BE BROUGHT LATER THAN ONE (1) YEAR AFTER ANY CAUSE OF ACTION HAS ARISEN OR ACCRUED. IN JURISDICTIONS WHERE STATUTORY CLAIMS OR IMPLIED WARRANTIES AND CONDITIONS CANNOT BE EXCLUDED, ALL SUCH STATUTORY CLAIMS, IMPLIED WARRANTIES AND CONDITIONS AND ALL RIGHTS TO BRING ACTIONS FOR BREACH THEREOF EXPIRE AFTER ONE (1) YEAR, OR SUCH LONGER PERIOD OF TIME IF MANDATED BY APPLICABLE LAWS, AFTER THE PURCHASE OF THE SHINGLE PRODUCT. SOME JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY OR CONDITION LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU IN THOSE JURISDICTIONS.

This Limited Warranty applies to IKO Shingles installed on or after May 11, 2015 and supersedes all previously published warranties.
